

**Have you ever wonder
what difference a little bit
of reading makes?**

Teaspoons of change

Research shows us that the benefits of reading more improves performance in: general knowledge, vocabulary, reading comprehension, verbal fluency and spelling.

Research shows that reading more improves performance in:

- general knowledge
- vocabulary
- reading comprehension
- verbal fluency
- spelling

The library - your field force of reading energy

Students are more likely to read outside school if they are reading a book for fun in school.
