# READING AMBASSADORS

2018-19

TODAY A READER, TOMORROW A LEADER  
~ MARGARET FULLER

## Make things happen

- Let your form tutor know you want to be a Reading Ambassador

## Help achieve the library goals

- Attend a short meeting at break time each Monday
- Communicate that week's library focus, initiative or project to your tutor group each

## Why?

- Develop leadership, communication and interpersonal skills
- Gain valuable insights into books and other media resources and events
- Grasp the opportunity to develop the library as a student-focused centre

- Part of school leadership programme**
- Library Prefect at the head**
- Included in PEP (Personal Enrichment Portfolio) - prepares students for CAS (Creativity, Activity, Service) in DP**

- Take all comers - but need at least one rep from each tutor (homeroom/advisory)**
- Tutor teachers sign up volunteers using online spreadsheet**
- Sometimes need to cajole older students to 'volunteers' - but once involved, generally enjoy**

**On Tuesday I summarise what the ambassadors will be telling their tutor group about.**

[illegible]

**Badges are awarded at the end of Term 1 - only to students who have regular meeting attendance.**

**Students are given their brief for the week and have the opportunity to contribute new ideas - are also able to help in the library when they have the time.**

**They report back to their tutor group the following morning - answering questions and advocating for reading and the library.**
