

A VISIT WITH CHILDREN'S LAUREATE, CHRIS RIDDELL OBE

Cloud Horse Chronicles: Guardians of Magic

With gorgeous two-colour illustrations and a special full-colour guide to the giants in the book, this hardback is a perfect gift.

For as long as anyone can remember, children have made a wish on a cloud horse, never quite believing that their wishes will come true. But times are changing. The future of magic is in danger. Unless three brave children fight back and believe in the impossible, soon magic and the cloud horses will be gone.

Goth Girl series

Ada Goth is the only child of Lord Goth. The two live together in the enormous Ghasly-Gorm Hall. Lord Goth believes that children should be heard and not seen, so Ada has to wear large clumpy boots so that he can always hear her coming. This makes it hard for her to make friends and, if she's honest, she's rather lonely. Then one day William and Emily Cabbage come to stay at the house and the three children begin to unravel a dastardly plot that Maltravers, the mysterious indoor gamekeeper, is hatching.

Ottoline series

Ottoline lives in a stylish apartment in Big City with a small hairy creature called Mr. Munroe.

Together they look after the Brown family's eclectic collections - and dabble in a spot of detective work.
