

What do you think and know about the Environment?

Source: [http://2.bp.blogspot.com/\\_gHsGYH7gAyA/SwvUhcfeTTI/AAAAAAAAANQ/u8rGOBPixc0/s1600/ucs-cartoon.jpg](http://2.bp.blogspot.com/_gHsGYH7gAyA/SwvUhcfeTTI/AAAAAAAAANQ/u8rGOBPixc0/s1600/ucs-cartoon.jpg)

What do you know about environmental issues?

Which issues have you heard about?

Which get the most news coverage?

Do you know about any issues to do with where you live here or where you are from?

Do you know any influential groups or individuals who are involved or express opinions about environmental issues?

How do you view the future?

What are the most urgent issues that need to be tackled?

What will the world look like in 2050?
